

2021 Fluor-BWXT Portsmouth S.T.E.A.M. Scholarship Application

Since 2011, Fluor-BWXT Portsmouth (FBP) has proudly awarded more than \$210,000 in scholarships to graduating high school seniors in the four-county area. FBP has remained committed to being an active corporate leader in the communities that have supported nuclear and environmental remediation missions at the Department of Energy’s Portsmouth site for nearly 65 years. It is the mission of FBP to create opportunities for area students to excel in the areas of Science, Engineering, Technology, Arts* and Mathematics (S.T.E.A.M.).

Applicants must have a cumulative GPA of 3.0 or above and have been accepted to attend an accredited college or university with a major in a S.T.E.A.M. field. The scholarships, each valued at \$2,000, will be awarded one time to 12 area students.

ESSAY

The essay portion is an essential part of FBP's scholarship application and will be **strongly** considered in determining the scholarship recipients. The essay needs to be well thought out. This is your chance to show the reviewers who you are and why you deserve the FBP S.T.E.A.M. Scholarship. The essay needs to be written solely by the applicant and encompass the following:

- Why you should be selected to receive the Fluor-BWXT Portsmouth S.T.E.A.M. Scholarship
- What your plans are while attending college
- What your future plans are upon graduation from college
- Financial need
- Any special circumstances that make you an ideal candidate for this scholarship

Take your time and make sure you address the information above. The essay needs to be no more than 1,000 words.

Please use additional paper if needed.

Scholarship Guidelines

Fluor-BWXT Portsmouth (FBP) is excited to announce that the 2021 FBP Scholarships will now be open to Science, Technology, Engineering, **Arts** and Mathematics (S.T.E.**A**.M.) majors.

With the addition of the “Arts” to the scholarship program, it opens up a wide variety of fields. After reviewing them, each member of the scholarship board decided to only accept applications for “Art” majors that are relevant to becoming an employee for FBP or one of its sister companies.

Below is a list of “Art” majors FBP is accepting this year along with a link for the accepted S.T.E.M. fields.

FBP’s scholarship board has worked hard to determine which “Art” majors reflect the work conducted at the PORTS Site. With that being said, they understand that this is a work in progress and are open to consider other fields of study that may relate to the work at the PORTS Site. If you feel we’ve overlooked a major pertinent to the work conducted at the PORTS Site, please contact Deneen.Garner@ports.pppo.gov. I will be glad to review any requests with FBP’s Scholarship Board and get back with you

“Art” majors eligible for the 2021 FBP Scholarship:

Communications/Journalism
Photography/Videography
Graphic Design
Finance
Human Resources
Architectural

Please note: Only applicants with majors in the approved fields of study will be considered for the 2021 FBP S.T.E.A.M. scholarship.
