**REFERENCE: REQUEST FOR PROPOSAL NO. RFP-FBP21SC93145**

Dear Potential Offerors,

Fluor-BWXT Portsmouth is a contractor to the US Department of Energy (DOE) performing Decontamination and Decommissioning activities at the DOE former Gaseous Diffusion Plant Site (PORTS) in Piketon, Ohio. As part of FBP's mission, regulatory document technical services are needed in efforts of developing regulatory decision documents. FBP is requesting you to provide a proposal for the services as further defined in Section C, *Statement of Work*, of the referenced Request for Proposal (RFP).

Offerors are advised that this is a competitive solicitation. Proposals will be evaluated and award made based on a Best Value evaluation process.

Please reference Sections L & M "Instructions, Conditions, and Notices to Offerors" of the referenced Request for Proposal (RFP) for further details regarding the proposal requirements and due dates.

The RFP is provided to Offerors in a PDF file format with Section J Attachments **embedded within** the RFP Adobe PDF document. Should you require assistance with accessing the attachments or require special accommodations to view the attachments, please contact the undersigned.

A pre-proposal teleconference is schedule on **Wednesday March 31, 2021 at 2:00 PM Eastern Time**. A teleconference number will be provided by FBP in a subsequent amendment to this RFP. Your proposal must be received no later than **1:00 PM ET on Thursday, April 15, 2021**. Should your firm decide to "No Bid", please inform the undersigned with an explanation as soon as possible.
