IMMEDIATE RELEASE - SMALL BUSINESSES ALERT

Subject: DE-AC30-10CC40017 – SCAM ALERT – ATTENTION FLUOR-BWXT PORTSMOUTH LLC (FBP) VENDORS, SUPPLIERS AND SUBCONTRACTORS

Fluor-BWXT Portsmouth LLC was recently advised of fraudulent attempts to procure goods from legitimate suppliers and subcontractors. These attempts request Small Business vendors and subcontractors to respond to fraudulent request for proposals for services and/or supplies. These attempts for delivery of items are based around uncharacteristic delivery locations and tactics outside the standard procurement process and designated shipment locations not normally utilized by Fluor-BWXT Portsmouth LLC. These fraudulent warehouse locations turn out to be interim addresses, and the products delivered to these addresses, are then forwarded to overseas locations for resale. Other tactics include the use of e-mail addresses that are very similar to legitimate addresses, realistic looking letterhead, purchase orders with real logos, and a claim that the requestor is a high-level official.

As a standard business practice, FLUOR-BWXT PORTSMOUTH LLC WILL NOT:

- Use the names of high-level officials outside of the FBP Procurement Organization to “legitimize” a procurement;
- Waive the requirement for all new Vendors, Suppliers, or Subcontractors to complete and submit a fully executed Representations and Certifications Form;
- Provide an email address that ends in anything other than “@fbports.com”;
- Fail to provide a telephone number and email address of the FBP Procurement Specialist / Buyer or Subcontract Administrator placing the purchase order or subcontract;
- Request that supplies or fabricated materials be delivered to an interim “inspection location” prior to being delivered to its final delivery location at the Department of Energy’s Portsmouth Gaseous Diffusion Plant; or
- Request delivery to an address other than the standard Fluor-BWXT Portsmouth LLC address which is:
 - 3930 US Route 23 South, P. O. Box 548, Piketon, Ohio 45661.

If you feel you have been contacted to provide products or services to Fluor-BWXT Portsmouth LLC via a process outside standard procedures listed above, please contact FBP’s Small Business Program at (740) 897-3187 or (740) 897-3752. In addition, please visit our website at www.FBPortsouth.com under the section entitled “Working with Us,” then scroll to “Acquisition Contacts” for additional FBP Acquisition Management contact(s) information.

Thank you for partnering with Fluor-BWXT Portsmouth LLC in this area of mutual concern.

Sincerely,

A handwritten signature in blue ink that reads "Karen Davis".

D. Karen Davis
